## 1. Definitions

In these General Terms and Conditions, the following definitions are applicable, unless otherwise specified in the Contract.

"Consultant" means: The user of these Terms and Conditions

"Client" means the organisation or company with whom the Contract is entered into;

"Contract" means the contract between the Client and the Consultant which defines the scope of the Engagement and the services to be rendered by the Consultant, as well as the fee schedule for said services. More specifically, the Contract shall consist of the Purchase Order, these Terms and Conditions and any other documents (or parts thereof) specified in the Purchase Order;

"the Engagement" means any agreement, in whatever form, reached between the Consultant and the Client pursuant to which the Consultant agrees to render services to the Client in exchange for a fee plus costs.

## Art. 2 General

2.1 These General Terms and Conditions govern the provision of all services from or on behalf of the Consultant to the Client and apply to all legal relationships between the Consultant and the Client.

2.2 These General Terms and Conditions supersede any and all prior oral and written quotations, communications, agreements and understandings of the parties and shall apply in preference to and supersede any and all terms and conditions of any order placed by the Client and any other terms and conditions submitted by the Client. Failure of the Consultant to object to terms and conditions set by the Client shall in no event be construed as an acceptance of any terms and conditions of the Client. Neither the Consultant's commencement of performance nor the Consultant's delivery of services shall be deemed or constituted as acceptance of any of the Client's terms and conditions. Any communication or conduct of the Client which confirms an agreement for the provision of services by the Consultant, as well as acceptance by the Client of any provision of services from the Consultant shall constitute an unqualified acceptance by the Client of these General Terms and Conditions.

2.3 By contracting on the basis of these General Terms and Conditions, the Client agrees to the applicability thereof in respect of future agreements between itself and the Consultant, even if this is not expressly stated.

## 5. Client's obligation

5.3 The Client shall duly inform the Consultant of any facts and circumstances that may be relevant in connection with the execution of the Engagement.

5.4 Furthermore, the Client shall guarantee the correctness, completeness and reliability of any information provided to the Consultant.

## Art. 4 Execution of the contract

4.1 The Consultant shall determine the manner in which and the person by whom the Engagement will be carried out, taking into account, as far as is feasible, the reasonable requests expressed by the Client.

4.2 The Consultant shall complete the Project with reasonable skill, care and diligence in accordance with the Contract.

4.3 The Client hereby accepts that the time schedule allocated for the performance of an Engagement may be subject to change in case of amendment to the Engagement and/or the services to be provided there under after conclusion of the Engagement.

4.4 In case of any change of circumstances under which the Engagement is to be performed which cannot be attributed to the Consultant, the Consultant may make any such amendments to the Engagement as it deems necessary to adhere to the agreed quality standard and specifications. Any costs arising from or related to this change of circumstances will be fully borne by the client.

4.5 The Consultant may, at its discretion and, where possible, in consultation with the Client, replace the person or persons charged with performing the Engagement, if and in so far as the Consultant believes that such replacement would benefit the performance of the Engagement.

4.6 The Consultant shall provide the Client with such reports of his work on the Project at such intervals and in such form as the Client may from time to time require. The Client has the right to notify the Consultant that it wishes to modify its requirements in relation to the Project. Such modifications shall not enter into effect until the parties have agreed on the consequences thereof such as to the Contract fee and the completion date of the Project.

4.7 The Consultant shall be free to involve Subcontractors, availing of specific expertise, in the performance of the Project, provided that the Consultant shall have these third parties enter into confidentiality obligations similar to the confidentiality obligations applicable to the Consultant. If requested by the Client, the Consultant shall identify these Subcontractors, specifying in each case their specific expertise.

## Art. 6 Terms and execution

6.1 Any times or dates set forth in the Contract for provision or completion by the Consultant of the services under the Project are estimates only and shall never be considered of the essence. Furthermore, the parties hereby acknowledge that the time schedule set out for the performance of the Engagement may change during the course of said performance. In no event shall the Consultant be liable for any delay in providing these services.

## Art. 7 Fees and expenses

8.1 The Client shall pay to the Consultant fees at the rate specified in the Purchase Order.

8.2 Unless otherwise stated in the Contract, the Consultant shall be entitled to be reimbursed by the Client for all travelling and lodging expenses reasonably and properly incurred by him in the performance of his duties hereunder subject to production of such evidence thereof as the Client may reasonably require.
